That the Mysore Engineers Association obtained the privilege of printing its publications as early as April 1907 and the privilege was withdrawn in August 1921 vide P.S. File No. 11-21. put up below.

The Contingent Registers of four or five years prior to August 1921 were gone through but there is no mention made of the amount that was ordered to be debited to G. R. S. Contingencies. An enquiry was made in the Comptroller's office but, it seems, registers of Contingent expenditure of and over two years are destroyed.

Is it possible to search the Treasury Office Registers? I don't think in any Treasury office the vouchers etc. the debits could be traced which are 5 years back. Shall we look into the books kept in the Treasury? SR 5.3. P.S.

The figures relating to cost are not readily traceable. The Engineers had the privilege for a period of 10 years from 1907 to 1921. The Mysore Civil Service Association have enjoyed the privilege of free-printing only for the last three years. ~~In this connection~~ The M. C. S. Association may perhaps be treated in this respect ~~at least~~ like the Engineers.
